15. METHOD FOR BREAKING TIES IN LEAGUE STANDINGS AND ENTRIES INTO THE CCS

    - 1. Head to head competition involves only contests played within league schedule.
    - 2. Greatest number of wins within the tie.
    - 3. Greatest number of wins above the tie.
    - 4. Greatest number of wins versus the highest-placed team above the tie.
    - 5. Greatest number of wins below the tie starting with the next-placed team below the tie and moving downward.
    - 6. If a tie still exists, then the Commissioner shall determine the tiebreaker by chance (coin flip or drawing).
  - C. Coin Flips or Drawings
    - 1. When a coin flip or drawing becomes the last option to break ties in team standings, whether for final round robin standings or representation to CCS playoffs, the Commissioner shall determine the time and place for such a drawing. The drawing shall be held regardless of whether the involved schools are present. If a school does not desire to participate in the drawing, the Commissioner shall be notified in writing 24 hours prior to the drawing.
    - 2. The winner of the coin flip or drawing shall be given the higher seed(s), but the seed(s) shall only apply to the League playoffs.
    - 3. In determining the rank of at-large entries into the CCS playoffs, the team(s) with the highest total CCS points, when applicable, shall receive entry into the CCS playoffs before the other teams involved in the tie, regardless of which team(s) won the coin flip or drawing. If two or more teams involved in the tie have the same number of CCS points, then the results of the coin flip or drawing shall determine the rank of at-large entry into CCS.
16. VARSITY PLAYOFF FORMAT (BOYS)
- A. The playoffs shall be organized and supervised by the Commissioner.
  - B. The playoffs shall normally be scheduled during the week following the end of the regular League season.

2nd place team vs. 7th place team.  
3rd place team vs. 6th place team.  
4th place team vs. 5th place team.  
All games to be played at the sites of the higher seeds.

The winners of the other two first-round matches play each other.
    - Finals The finals for the League championship shall be between the winners of the two semifinal games. If the first-place team loses in the playoffs, they shall be declared co-champions with the winner of the playoffs.
- 1. If two teams tied for first place and are co-champions, and the tie must be broken by a coin flip as described in Section 15, the loser of the coin flip is the #2 seed in the playoffs and will play the #7 seed in the first round. If the #2 seed wins this first-round game, they shall play the lowest seed remaining in the second round.
  - 2. If three or more teams are tied for first place and the tie must be broken by a coin flip as described in Section 15, the winner of the tie shall be the #1 seed in the playoffs. Additional coin flips will be done to determine the remaining seeds. If the #2 seed wins in the first round, they shall play the lowest seed remaining in the semifinals. The #1 seed will play the other winner. If the #2 seed loses in the

first round, then the #3 seed, if they win, shall play the lowest seed remaining in the semifinals. If the #3 seed defeats the #1 seed in the semifinals, they will be the home team in the championship game. If four teams tied for the round robin championship, then the coin flips would determine the seeds and the #4 seed would receive none of the above benefits.
