

Article X – Ejections

1. CONSEQUENCES OF AN EJECTION – If a player or coach is ejected from a contest the following applies:
 - A. If a player or coach is ejected from a contest during the season that player or coach must sit out the next contest following their ejection. If a player participates in the next contest following his/her ejection that player will be treated as an ineligible player for that contest, and his/her team shall forfeit the contest.
 - B. If the contest from which a player or coach was ejected is the last contest of the year for that team, the above stated disqualification would carry over to that team’s first regularly scheduled league contest the next year.
 - C. Any player or coach ejected from any CCS Playoff contest because of flagrant misconduct or unsportsmanlike behavior shall be excluded from participating in the remainder of the CCS Playoff contests in the sport for that year, including any CIF contests. If the ejection occurs in the final CCS/CIF contest for that team then the player or coach would have to sit out the first league contest the next season.
 - D. Coach Ejections – While sitting out, the coach may not communicate during a game in any way, including all digital formats, with his/her coaching staff or players.
2. SOLE GROUNDS FOR APPEAL OF AN EJECTION
There is normally no appeal on ejections unless there is the issue of “mistaken identity”. However, if any ejection is deemed to have possible unusual circumstances that may allow for the penalty of the ejection to be reverse or lessened an AD or Principal may appeal to the Commissioner within 24 hours after the ejection. The Commissioner will have the final authority to decide if the ejection penalty may be lessened or overturned.
